

Interior Painting Checklist Revised Jan 2022

We are excited you are scheduled for your interior painting project. Please use this check list to make sure your home is ready for the painting crew. If you have discussed specific plans with your Project Manager prior to painting day, disregard this list and go with what your decision with the Project Manager was.

To Do:	Side Note:	Complete:
Put away all breakables		
Remove all Art from walls.	If you will rehang artwork, leave the photo hangers.	
Move Furniture Away from walls.		
Wipe down any surfaces	Especially baseboards	
Make sure animals have a plan for the day (not inside home where painting will occur).		
Logistics for Coming/Going the day of painting.	It is okay to leave your home with the painters working.	
Discuss bathroom usage for painters.	Yes or No If there is a specific bathroom you would like them to use, please let them know.	
If you have Breathing Concerns, you may want to find another place to be while we are painting.	Although we use Low or Zero VOC, we want to make sure you stay healthy.	
Clean out closets & pantry		
Remove Window Coverings
